

WILLOE LYNN BURTON
CELEBRATION OF LIFE

9/12/1950--9/12/2010

A compassionate and loving friend to all, Willoe passed away at home on her birthday after a 16 month battle with lung cancer. She is survived by her loving and dedicated life-partner Bruce Pfeffer, devoted sister Candace, and beloved niece Ciara, and was preceded in death by her father William, her mother Shirley, and her baby Breckery. She nurtured her dear pot belly pig Heidi, and three happy dogs, Harley, Goblin, and Sailor. In her lifetime, she loved and protected 23 animals. We will miss her passionate and tender alto voice that touched hearts and brought tears when she sang from stage. As a food server, Willoe's joy was creating friendships with her regulars, co-workers, and customers from around the world, working last of all at the Tuscany Resort and Suites.
